

## These Two Weeks– Day 1

Writer: Mark Jones

This is a family worship guide for you and your children during Christmas vacation. Use this guide and the printable resources to gather the family and read the Bible together. Option: Prepare each day in separate envelopes and seal. Mark the envelopes by days and clamp them in order and magnet to refrigerator. Stretching a string of garland across a mirror, artwork or furniture to clip each envelope is a great idea too.

Day 1– Read Luke 2:1-5

Discuss: What is a census? Every family had to be counted. Bethlehem is the City of David.

Color and cut out Mary, Joseph and the palm trees. Choose a special place (refrigerator door, window or wall) to attach these pieces. Each day, more pieces will be added to the nativity scene.
