

Magnetic Letters Bible Skill Game

Writer: Mark Jones

Prepare:

Prepare the game: Write the Bible verse on a poster board and hang on the wall. Gather all the magnetic letter needed for spelling the words. Other letters can be added to challenge older kids. Place all the letters in a bowl and set them in the middle of an automotive Drip Pan which you placed in the floor.

Make two sets to welcome team competition or just time each team.

What to Do:

The team gathers around the Drip Pan. Review the verse by repeating it together. Don't forget to practice the reference.

When you say, "GO!" the teams can dump the letters and begin spelling the verse with the letters. The first team to completely spell out the verse and say it together wins.
