## Thanksgiving Scripture Cake

The Big Idea

Bake a cake by using Bible verses to discover the ingredients. (Old Testament Bible skills)

- Apricots (chopped)
- Oil
- Eggs
- Sugar
- Sliced Almonds
- Flour
- Baking Powder
- Salt
- Allspice

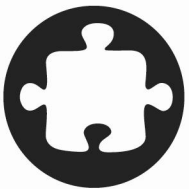

Bake in 2 greased and floured loaf pans (350 degrees-1 hour)  
Cool slightly (Optional– Prepared Cream Cheese Frosting)

Things to Gather

### Instructions:

Put all ingredients on one table and mixing/ measuring items at separate tables. Instruct kids to prepare pans and mix only one ingredient at a time. This is not a race so kids need to measure correctly. Teachers can assist by demonstrating then allowing the children to do it. Above all... Have Fun!
