CLASSROOM

Fall Postcards

Writer: Joanne Moran

Teaching continues during the week as a teacher contacts preschoolers and their families. Boys and girls like to get mail!

Consider making fall postcards to mail to homes of preschoolers.

When you send mail to a child's home, a parent will be reading the words to the child. You will be creating a relationship with the child and his family.

Supplies for Fall Postcards:

- photographs of fall items such as flowers and vegetables
- printed copies of photographs—must be 4-by-6-inch prints for mailing
- permanent felt-tip marker

Instructions:

1. Choose printed copies of fall photographs to make postcards.
2. Draw a line on the back of the photograph to divide the space.
3. Print the message on the left side of the line. Print the address on the right side.
4. Add a postcard stamp and mail.

Ideas for sending postcards:

- reminder about attending Sunday School
- note about something child enjoyed in Sunday School
- note about absence
- birthday or seasonal greeting
- message about a church activity or event
- note about family situation (birth, illness, death)

Include a Bible verse on the postcard such as **God gives us things to enjoy (1 Timothy 6:17)**, **God is good to us (Psalm 73:1)**, or **God loves us (1 John 4:10)**.
