

Candy Cane Relay

Writer: Mark Jones

Game instructions:

1. Create separate teams
2. Explain that the game is to race to the opposite end of the room and come back to tag the next person in line.
3. You must carry a candy cane on your face while you look at the ceiling— no hands.
4. If the candy cane falls, you must start over from the beginning.
5. After the first race, instruct each team they will now carry a portion of the nativity scene. Put the piece in place then come back while carrying the candy cane on their face.

**Adding a challenge at the opposite end of the room will make this game more interesting.
