

SPECIAL AGENT INVESTIGATION | KIT

GATHER:

- Silver Spray Paint
- Poster board Strip
- Two brads
- Silver or Gray Duct Tape
- White Mailing Labels (large & regular sizes)
- Permanent markers (red & black)
- Five File Folders
- Composition notebook
- Box (any size or shape with a hinged lid- gift box size)
- Padded envelope containing Scissors, magnifying glass, paper towel tube, pen and pencil.

ASSEMBLE:

1. Spray paint the box silver and let dry.
2. Wipe off the box to remove any dust so tape will stick.
3. Apply tape to sides and across corners.
4. Cover the poster board strip with tape and attach to the box with brads.
5. Print on labels. Special Agent Investigation Kit, Mission 1 (2,3,4,5), Confidential and Top Secret
6. Add the large labels to the box front and notebook.
7. Add smaller labels to the folders for mission information each day.
8. Create a coded puzzle with each day's title and place in the corresponding folders.

Puzzle codes might include:

- A strip of paper wrapped around a tube to reveal the sentence.
- Special window boxes to place over another page to reveal certain words.
- Decoder red cellophane to look at words that have been colored over with red pencil.
- Symbol codes and key to discover the message.
- State map with message written on it then cut into a puzzle.
- Words typed in a tiny sized font and printed. (magnifying glass needed)
