

## Plunger Pandemonium Review Game

Writer: Mark Jones

### Prepare:

Prepare the game:

- Purchase new toilet plungers (not used).
- Secure the plunger to the bottoms of plastic bowls or other containers that can be worn as a helmet.
- Collect plastic rings for tossing.

### What to Do:

- Divide the kids into two teams.
- Ask the review questions for the Bible story and allow time for answers to be written on a small chalkboard or sheet of paper.
- Award a ring to each team for each correct answer.
- When questions for review are completed, invite the children to play the tossing game.
- Decide the distance for tossing and ask one person from each team to wear the plunger helmet and get on their knees to play.
- Instruct the kids to stand back and toss the rings.

***\*Note– If a team received five rings, allow each child on the team five chance to toss. You might even have questions for double ring value or even triple!!***
