

# JARS OF THANKFULNESS FOR TEACHERS

This activity is great for a small class or an entire ministry.

- Gift Tags
- Mason Jars
- Burlap
- Scissors
- Twine
- Assortment of Candy
- Ink Pad and Stamps  
(We found ours at Hobby Lobby.)

Have the children fill the Jars. You can pre-select the contents that each jar is to have, or allow the children to pick what goes into them. Cut a square of burlap to place over the lid of the jar and tie onto the jar using the twine. Then, stamp the top and on a gift tag. Some students even wrote a small note on the gift tag! Allow children to deliver the gifts to their school teachers.
