

Boulder Bridge Missions

Writer: Mark Jones

Boulder Bridge Missions:

- 1) Locate the end of the room most visible from the entrance door.
- 2) Cover the wall area by hanging sunset painted bed sheet (king size is recommended) or sky blue bulletin board paper or sheet. Use large paper binder clips on each corner and clip the sheet to the drop ceiling track.
- 3) Spread a large shiny blue tarp on the floor as water. Add blue cellophane over fish and other underwater items you choose to add.
- 4) Land areas can be constructed of green paper, sheets, blankets or rugs to save money. Place pillows or other items under the land to create an uneven ground area. Add other rocks and ground cover items as needed.
