

Space and Equipment: Equipment and Furnishings

Equipment is another factor that affects the climate or setting for Bible study. The type of equipment and furnishings needed will differ according to the age group being taught. Few churches are able to provide everything. Provide what you are able at the time. One annual goal may be to make improvements in providing equipment and furnishings for classrooms.

Recommended Equipment for Children, Youth, Young Adult, and Adult Departments

Symbols: x - recommended; o - optional;

Equipment	Children	Youth	Adults
Chairs (age appropriate)	x ¹	x ²	x ²
Coat rack	x	x	x
